

Academy Trustee Vacancy

Omega Multi-Academy Trust currently has a vacancy for a Trustee to join our dynamic Board of Trustees.

This is an exciting opportunity for the right individual to be an active member of the Trust's Board, and to help enrich the lives of approximately 3,500 children within the Trust.

Trustees are all volunteers (apart from the CEO), but have significant strategic responsibilities for governing the Trust and directing how it is managed and run. However, it is a hugely rewarding experience to be part of the team helping ensure the absolute best possible future for all the young people within the Trust, whilst providing a high quality working environment for all staff.

We are looking for trustees with various skills/experiences that can help add value to the board, some examples of which are listed here:

- Critical listening and the ability to ask effective questions
- Strategic thinking
- Excellent communication
- Problem solving and analysis
- Understanding of data
- Finance and/or accounting knowledge
- HR experience
- Knowledge of education
- Leadership and management
- Risk and/or Project management
- Legal expertise, particularly knowledge of charity law
- Marketing and communications

However, this is not an exhaustive list and if you have other skills/experiences that aren't listed here, but yet would be a great addition to the team, please let us know.

You would be joining a dynamic, committed and good humoured team of volunteers, who are all very experienced in their relevant fields/business. But most importantly, we are driven to ensure the children and young people in our Trust achieve the highest possible standards, whilst also having the best possible enrichment opportunities to develop the whole person, not just academically.

Additional information

All trustees must be over 18, not have been declared bankrupt and not be disqualified from being a company director and/or charity trustee.

A role description is also available to give more details about the role of a Trustee.

The Trust is committed to the safeguarding of all young people and Trustees will be expected to adhere to these expectations.

If you would like know more about becoming a Trustee or if you are considering putting yourself forward to join the Board, then we would be delighted to hear from you.
